The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 844-612-7386. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network providers: \$5,000/individual, \$10,000/family Out-of-network provider: \$10,000/individual, \$20,000/family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. The <u>deductible</u> is <b>Embedded</b> . If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  Deductible year runs 05/01 – 04/30
Are there services covered before you meet your deductible?	Yes. Preventive care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive</u> <u>care</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	Yes. \$1,650/individual or \$3,300/family for prescription drug coverage. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this plan begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Network providers: \$5,000/individual, \$10,000/family Out-of-network providers: \$10,000/individual, \$20,000/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. The <u>out-of-pocket limit</u> is <b>Embedded</b> . If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See  www.LaunchFulfillmentBenefits.com or call 844-612-7386 for a list of network providers.	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ).
Do you need a <u>referral</u> to	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
